HELPING TO BRING  
THE VISION TO PASS  
IN THIS GENERATION  
AND THE GENERATIONS  
TO COME!

Quoted from the  
Founder's Book

**"THIS IS MY STORY"**

Pillar refers to permanent people in the church.

Post means standing in place supporting the pillars of the church.

What would I do without their work? Without people of their integrity to work on building the kingdom and bringing in souls?

Some of the church is under physical construction now, and in short, I look forward to the completion of the construction. I want people who will say, "Don't worry about any of this; we will take care of everything."

I want good people who will see projects all the way through, even after I'm gone. Then that makes me feel like when the rapture takes place here comes New Liberty. Here comes the Apostolic Assemblies of Christ.

**ABOUT BISHOP GEORGE MARSHALL BOONE AND  
MOTHER MAE DEE BOONE**

*Bishop George Marshall Boone* was born on May 31, 1920 to the union of Shepherd and Fielda Boone, school teachers in their home town of Oxford, Mississippi. He was blessed to be one of thirteen children favored of God to have two dedicated, loving parents, who committed their lives to their family. As the only boy in the midst of twelve girls, young

George learned quite a lot about people and their relations. From his youth he had an inborn sense of responsibility for others, a trait that God would use in later years to make him a leader of men.

He grew up through difficult lean years of the depression and segregation, but vividly remembers the love, strength and devotion of his family, which sustained them even through the most difficult times. His parents stressed the importance of education, self-improvement and hard work as keys to survival and success. His church, the Tried Stone Baptist Church, stressed the importance of serving God in the best way possible. At the age of twelve George was baptized and he began to strive to be the best person he could be. Determined to succeed, he began working in various jobs. He received training as a blacksmith, a sawmill laborer, truck driver, and eventually as a barber, who ultimately received his license as a Master Barber. He used this training to help financially support his family.

In 1942, at twenty-two years of age, he was inducted into the United States Army. It was during this phase of his life that God began to open his spiritual understanding. While serving his country in the jungles of New Guinea.

Young George returned to his hometown of Oxford, Mississippi after completing his military service. In 1946, the same year of his return from the military, he was baptized in JESUS' NAME under the late District Elder Rush L. Lockhart, Sr., who later became his father-in-law. In 1946, Brother George Boone was united in Holy Matrimony with a young woman who he had known since his early teens, Sister Mae Dee Lockhart, the daughter of District Elder Rush L. Lockhart, Sr.

*Sister Mae Dee Lockhart* was a student of Alcorn College at that time. She had been very instrumental in encouraging her future husband while he was in the service. She had frequently sent him inspiring scriptures and words of edification. The Lord was working on Brother George's behalf even upon his return from the military service. God began to bless the budding relationship between Brother George and Sister Mae Dee resulting in Holy Matrimony. To this union six children were born, George Ralph, GeRonald, Charles David, the late Alfred Heardie, Sharon, and Shirley Ann. They also have been blessed with two daughters-in-law, Rhonda and Linda, one son-in-law, Mark A. Moore, Sr., and 14 grandchildren and 25 great-grandchildren. All of their children were raised in the church.

In 1947, God moved the Boone family to the state of Michigan where Brother Boone was to begin his ministry under the late Bishop Heardie Leaston. Licensed under Bishop Leaston's ministry, Elder Boone served faithfully as his Assistant Pastor until God sent him to establish his own work. He was ordained in 1960 under the late Bishop S.N. Hancock and later served as a District Elder and Chairman of the Michigan State Council of the Pentecostal Churches of the Apostolic Faith elevated District Elder Boone to the office of Bishop over his own objections. The laying on of their hands only confirmed the high call of God upon his life. In 1970, he felt led of the Lord to establish the Apostolic Assemblies of Christ, Inc. Starting with only seven churches in the states of Michigan, Ohio, and Tennessee, the Apostolic Assemblies of Christ, Inc., has grown under Bishop Boone's leadership to span the globe. In 1989, during the National Convention of the Apostolic Assemblies of Christ, Bishop Bone was honored to receive three DOCTORAL DEGREES, conferred by the Apostolic Academy of Christ Seminary of Cincinnati, Ohio.

Since the time that he was saved, Bishop Boone envisioned an assembly of blood-bought believers whose name would be New Liberty. As he worked for the Lord in Michigan, he wanted to believe that this body would be planted in the South, but God didn't lead that way. So in 1964, NEW LIBERTY APOSTOLIC FAITH CHURCH was born in Detroit, Michigan. Bishop Boone nursed it along as a mother would her younger baby. As he agonized before God for divine direction, God took him to higher heights and deeper depths. As the Lord has blessed the church, Bishop Boone has been careful to ascribe all glory to God, and generously give the credit to those helping him.

Looking back, we are sure that he would agree with the words of the songwriter, "Through it all, I've learned to depend upon His Word." But perhaps even more appropriate are the words of the Apostle Paul that our Bishop so often quotes, "Having therefore obtained help of God I continue unto this day..." Acts 26: 22.

*"Sail on, Little Ship. Sail on."*
